STEP 5

Ensure to choose the correct tank for which you'd like to place a fill as well as the best contact information and the estimated tank percentage at the time of the order. The comments section can be used to note anything out of the ordinary that you'd like your driver to be aware

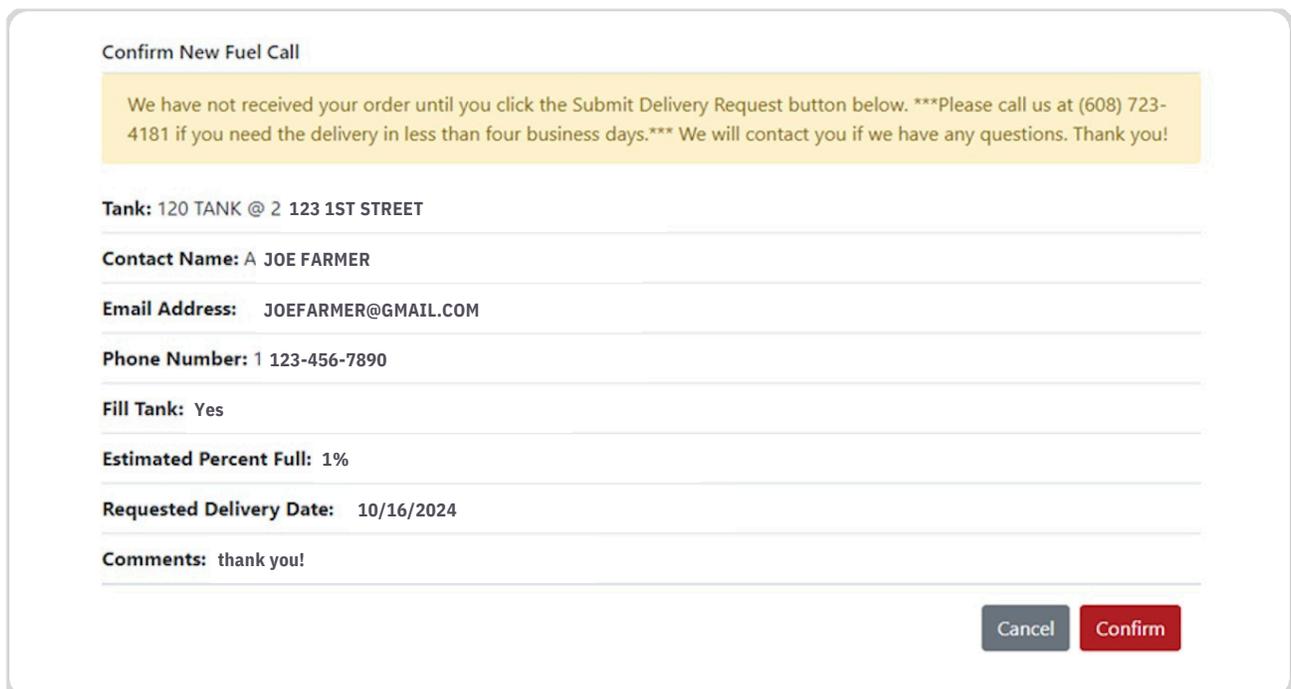

The screenshot shows a mobile application interface for creating a new fuel call. The title is "Fuel Calls" and there is a "Close" button in the top left. The form is titled "New Fuel Call" and contains the following fields:

- Tank: A dropdown menu with "500 HOME HEAT" selected.
- Contact Name: An empty text input field.
- Email Address: An empty text input field.
- Phone Number: An empty text input field.
- Fill Tank: A toggle switch that is currently turned on.
- Estimated Percent Full: An empty text input field.
- Comments: An empty text input field.

At the bottom right of the form are two buttons: "Cancel" and "Continue". At the very bottom of the screen is a navigation bar with icons for Home, Balance, Notifications, and More.

STEP 6

Clicking "Continue" will launch a confirmation screen where you will have a final chance to review and then submit your LP fill order. Once submitted your order is sent to our Energy staff and routed for delivery accordingly

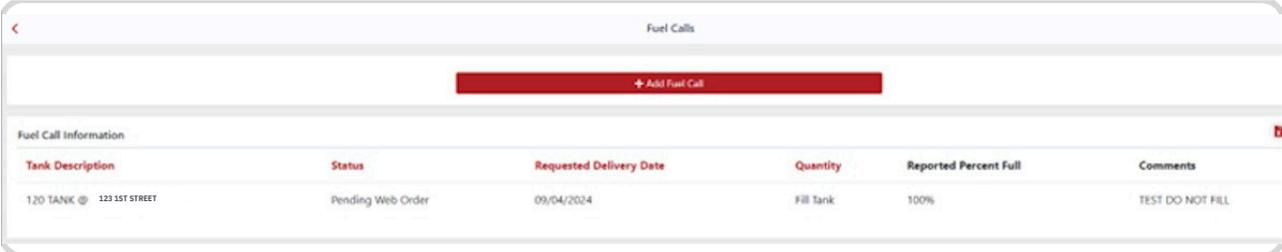

The screenshot shows a confirmation screen titled "Confirm New Fuel Call". At the top, there is a yellow warning box with the text: "We have not received your order until you click the Submit Delivery Request button below. ***Please call us at (608) 723-4181 if you need the delivery in less than four business days.*** We will contact you if we have any questions. Thank you!". Below this, the form displays the following information:

- Tank: 120 TANK @ 2 123 1ST STREET
- Contact Name: A JOE FARMER
- Email Address: JOEFARMER@GMAIL.COM
- Phone Number: 1 123-456-7890
- Fill Tank: Yes
- Estimated Percent Full: 1%
- Requested Delivery Date: 10/16/2024
- Comments: thank you!

At the bottom right of the screen are two buttons: "Cancel" and "Confirm".

STEP 7

Submitted orders can be viewed from the same “Fuel Calls” option.
